March 11, 2015

Dear Parents of Incoming Kindergarten Students (2015-2016):

It is registration time again for next fall's incoming kindergarten students. Please call the Derry Village School office at 432-1233 to set up an appointment to complete the registration process and return the paperwork that was sent in this packet. This process takes about ten minutes and your child does not have to be with you for this appointment.

Enclosed are the following forms:

- **FULL DAY KINDERGARTEN APPLICATION**
Only complete this form if you are interested in registering your child for full day kindergarten. Please note that full day kindergarten is set up on a first come first serve basis. You must complete the kindergarten application and return it to Derry Village School with a deposit of \$360.00 to reserve a spot for your child as soon as possible.
- **REGISTRATION FORM**
This form must be completed for all kindergarten students (full day and half day)
Please complete and bring with you at the time of registration.

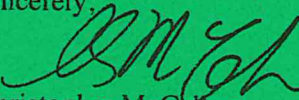

You will also need to bring the following information:

1. Your child's original birth certificate
2. Updated immunization and physical records
3. Two proofs of residency (i.e., Tax Bill, Rental Agreement, Purchase and Sales Agreement, copy of a recent utility bill with current address)
4. Legal documentation (if applicable)
5. Picture Identification

Physical examinations must be current (physical date may not be prior to August 28, 2014). We understand some children will be having their yearly physical during the spring and summer months. **If this applies to your child, the physical record will need to be brought to the school prior to the first day of school, which will be Wednesday, August 26, 2015. The immunization records must be brought in at the time of registration.**

Please join us on Friday, May 15, 2015 from 9:00am to 11:00am at Derry Village School for Kindergarten Orientation. Your child will meet with the kindergarten teachers in the classroom during this time. Parents are welcome to attend a "Meet and greet" session with the administration of Derry Village School. Thank you for your attention to this important matter. We look forward to meeting you!

Sincerely,

Christopher McCallum
Principal
