

Cyber-Safety Night: Citizenship in the Digital World
October 20, 2016
6:30 pm
West Running Brook Middle School

Please join us for an important and an informative night of Cyber-Safety Presentations at West Running Brook Middle School, Thursday, October 20th at 6:30 pm. This evening is a collaborative educational effort between the Derry School District and the Derry and Chester Police Departments. We strongly encourage students and parents to attend these presentations together. There will be a specific focus on current middle school related issues. Child care and activities for children ages 3 and older will be provided at this annual event.
